WARRANTY TERMS AND CONDITIONS

The warranty provider will repair or replace, solely at their discretion, free of charge, the equipment under warranty, subject to the following terms and conditions:

1. This equipment warranty is for a period of 10 (ten) years from the delivery date, in relation to main structure failure and for a period of two years in relation to mechanical structural defects, and 5 (five) year regarding paint work.
2. The warranty is valid subject to the proper installation, normal use and ongoing maintenance of the equipment in accordance with all instructions, advice given and best practice.
3. Only defects found to be solely attributable to defective workmanship or materials are covered by this warranty.
4. After one year from the date of commencement of warranty, the purchaser will be liable for all labour, freight and delivery costs incurred, in relation to repair/replacement.
5. Equipment maintenance/service and accepted wear and tear is not covered by this warranty.
6. This warranty does not in any way affect your statutory rights.
7. This warranty, fully completed, must be registered with the warranty provider within 21 days of delivery of the equipment.
