

OUTFIT EQUIPMENT QUALITY & SAFETY FEATURES

(IN COMPLIANCE WITH EN16630 NEW EUROPEAN STANDARDS)

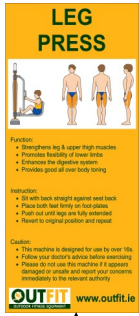

Assembly bolts:
M10 chrome-plated with nylon locknuts

Moving Parts: Diameter 40/50mm; thickness 3.5mm, fully galvanised internally & externally DuPont™ double powder coated.

Instruction Board: Large - 1200 x 300 x 1.5m galvanised & powder coated steel for attaching instruction notices to.

Bearings: Japanese NSK sealed & lubricated best quality; up to 10 years life expectancy.

Instruction label sized to suit. U.S. Arlon™ best adhesive; laminated to protect from UVA/UVB & minimise potential for vandalism.

Top Cover: Die cast aluminium, prevents water ingress & allows air circulation.

Discs: Solid galvanised and powder coated steel with rounded outer rim. No spokes, knobs or handles.

Main Structure: Diameter 75mm; thickness 3.5mm galvanised internally and externally. DuPont™ double powder coated.

Secondary ground fixings/support providing extra structural stability.

Cowl: galvanised and DuPont™ double powder coated. 2mm steel.

Coating: (Any colour available). All tubing is hot dipped galvanised internally & externally with 2 coats of DuPont™ powder coating applied to all exposed surfaces. 5-year warranty.

Hand Grips: Polyurethane moulded to tubing; anti-slip design; warm to feel; long lasting - 10+ years.

Bolt covers: Anti-theft toughened PVC caps & back plates for safety, security & aesthetics.

Movement restrictors: Internal damping & stoppers prevents excessive lateral motion. Nylon for longer life.

Pedal: Toughened ABS with 2 no. NSK concealed bearings.

Main column: Diameter 140mm; thickness 3.5mm, fully galvanised internally & externally; DuPont™ double powder coated. 25 year structural warranty

Disc: 10mm plate with inbuilt long lasting rotation resistance (prevents trailing).

Rotator Footplate: Anti-slip with internal damping & stopper to prevent 360° rotation.

Footplate: Impact absorbing moulded rubber non-slip, non-flammable, long life, easily replaced.

Cowl: Cast aluminium powder coated anti-theft cover.
